Each student's graduation timeline will vary depending on academic program(s) and academic progress, and may take less or more than four years. Students should work with their academic advisor to create a clear timeline.

Commencement Exercises

With approval from the Registrar, a student may participate in commencement if he or she lacks two courses or less to complete the degree requirements. However, a diploma will not be awarded until the degree requirements and a minimum of 120 credit hours have been earned. **Candidates for Graduation must also have all accounts paid in full and have completed an Application for Graduation and an Official Exit Form.**

A student who has met the requirements and completed a Graduation Application Form from the Registrar may not postpone his or her graduation.

Once a student's degree is conferred, transcripts supporting the degree earned cannot be changed in any way. Degrees are granted three times during the calendar year: May, August and December. However, a commencement ceremony is only held in May of each year. Candidates for Graduation who receive their degrees in August or December are encouraged to participate in the ceremony held the following May; however, they must notify the Registrar at least one month prior to the ceremony.
