

Individualized Study Request

As a part of the academic program of Lees-McRae College a student may enter into an agreement with a professor in accordance with provisions as specified in the college catalog to follow a program of Individualized Study to gain up to four semester hours of credit. Limitations:

1. All work must be satisfactorily completed by the last day of the semester.
2. Only one Individualized Study may be taken each semester.
3. Individualized Studies must be taken during the semester in which credit is awarded.
