

## **Adjunct Athletic Training Instructor**

Reports to: Director of the Athletic Training Program and the Dean of Nursing and Health Sciences

Lees-McRae College in Banner Elk, NC is accepting applications for Athletic Training adjunct positions. Adjunct faculty for Athletic Training are hired to provide quality learning experiences to students in the accredited Athletic Training Program. Individuals teaching in this program must meet the general criteria for all Lees-McRae College adjunct faculty as well as faculty qualifications required by CAATE (Commission on Accreditation for Athletic Training Education), the accrediting body.

General Responsibilities: The categories listed below constitute the expectations for the adjunct faculty member. These responsibilities will be assessed utilizing student evaluations, classroom observations by the supervisor, and the supervisor's formative and summative evaluations.

Specifically, the adjunct will:

1. Participate in an orientation program provided by the College and/or division.
2. Develop course syllabi according to the standards provided;
3. Distribute and review the course syllabus in the first week of classes.
4. Utilize current pedagogical methods that foster active and engaged learning;
5. Remain abreast of standards and ongoing developments and practices in the assigned academic program or department;
6. Remain abreast of developments and practices his/her professional content area(s);
7. Follow the course or academic program standards as prescribed by the area to which he/she is assigned;
8. Acquire materials and supplies to deliver quality instruction, and be prompt and accurate in the recording and reporting of mid-term and final grades.

Skills Required: Course and syllabi development, current pedagogical knowledge and practices, MS Office, cooperative and active learning strategies, writing for learning, communication skill (verbal, written and interpersonal), and problem-solving.

**Specific requirements for Athletic Training faculty** (Based on **CAATE Standards for Professional Programs**):

1. Athletic Training Faculty Qualifications: All faculty assigned and responsible for the instruction of athletic training knowledge, skills, and abilities in required coursework must be **qualified through professional preparation and experienced in their respective academic areas as determined by the institution.**

2. Athletic Training Faculty Qualifications: All faculty assigned and responsible for the instruction of athletic training knowledge, skills, and abilities in required coursework must be **recognized by the institution as having instructional responsibilities.**

3. Athletic Training Faculty Qualifications: All faculty assigned and responsible for the instruction of athletic training knowledge, skills, and abilities in required coursework must incorporate the most current athletic training knowledge, skills, and abilities as they pertain to their respective teaching areas.

4. Athletic Training Faculty Qualifications: All faculty assigned and responsible for the instruction of athletic training knowledge, skills, and abilities in required coursework **must possess a current state credential and be in good standing with the state regulatory agency (where and when applicable) when teaching hands-on athletic training patient care techniques with an actual patient population.**

5. Athletic Training Faculty Qualifications: All athletic trainers who are identified as the primary instructor for athletic training courses (as identified by the matrix) **must be certified and in good standing with the BOC and, where applicable, be credentialed by the state.**

**Minimum Degree:** Master's degree in Athletic Training or related field. Educational background and work experience which meets the standards of the Southern Association of Schools and Colleges and Lees-McRae College required.

**Candidates must have current national certification and good standing with the Board of Certification, eligible for attaining/maintaining North Carolina State licensure, and experience teaching within a CAATE accredited Athletic Training Program.**

Application Deadline: Ongoing; Interviews will begin immediately.

Start Date: January, 2017

Method of Application: Submit a cover letter, Curriculum Vitae and a list of three references with complete contact information using the Apply Now link below. AA/EOE
