

Honors Course Component Request

Honors students, in accordance with provisions as specified in the catalog, enter into an agreement with a professor to add an honors component to select courses as part of the honors program. This component may be a research project, a creative effort, a service project, or any other activity that complements the course subject matter and requires substantial work on the part of the student while meeting the criteria of the Honors Program. All work must be satisfactorily completed by the last day of the semester.

This completed form is due to the director of the Honors Program no later than the third week of the semester.

Provide the following information in order for your request to be considered.

Student Name _____ ID _____ Major _____
LMC Post Office Box # _____ Phone Number _____ Email _____
Student Classification _____ Semester _____ Year _____
Number of Semester Hours Earned _____ Cumulative GPA _____
Course Title and Number _____
