

**Sam and Mary Hart
Endowed Scholarship for Science
2023–2024 Application**

The Hart Scholars Program is privately funded and is awarded to one incoming Lees-McRae College student planning to major in a Science or Health Sciences academic program. The selected student must exhibit high school leadership skills and strong moral character as evidenced by service in the community. Application materials that include application, a typed essay and two reference evaluation forms must be submitted to the Director of Financial Aid by January 15, 2023.

Scholarship is renewable as long as the student remains enrolled at Lees-McRae College in good academic standing with a minimum of 3.0 GPA and provides demonstration of campus leadership activities.
