

# FINANCIAL AID TIMELINE

## For Continuing Students

### October 1

File the 2021–22 FAFSA (Free Application for Federal Student Aid) using 2019 federal tax information. Complete the FAFSA online at [www.fafsa.gov](http://www.fafsa.gov). Be sure to include the LMC school code of 002939 and make sure that you use the IRS Data Retrieval Tool (DRT) to import financial information from your 2019 federal tax returns. The IRS Data Retrieval Tool has enhanced security and will limit the information that displays to the applicant. The information comes directly from the IRS and is accurate.

### October–May

We strongly encourage you to pursue private funding through scholarship search tools online. Check out our [Additional Resources page](#) on the Lees-McRae website.

### November–July

Additional information may be requested by the Office of Financial Aid in order to complete your financial aid package.

### May–June

Currently enrolled students' financial aid packages are delivered via Montibus. The Office of Financial Aid is required to verify that students are making satisfactory academic progress prior to awarding aid for a new academic year. You will receive an email when your financial aid notification is available for review and acceptance in Montibus.

### June–July

Loan processing begins in the Office of Financial Aid.

### First Friday in August

The fall semester payment is due. Review your student account information in Montibus.

### August 16

Fall classes begin.

### First Friday in January

The spring semester payment is due. Review your student account information in Montibus.

### January 10

Spring classes begin.
